

LEGAL NOTICE

STATE OF LOUISIANA, OFFICE OF CONSERVATION, BATON ROUGE, LOUISIANA.

In accordance with the laws of the State of Louisiana, and with particular reference to the provisions of Title 30 of Louisiana Revised Statutes of 1950, a public hearing will be held in the Conservation Auditorium, 1st Floor, State Land & Natural Resources Building, 625 North 4th Street, Baton Rouge, Louisiana, at 9:00 a.m., on **TUESDAY, MAY 22, 2001**, upon the application of **JMR OIL, INC.**

At such hearing the Commissioner of Conservation will consider evidence relative to the issuance of an Order pertaining to the following matters relating to the **Stewart B Sand, Reservoir A of the Wilcox Formation**, in the Stacy Field, Concordia Parish, Louisiana.

1. The creation of two (2) drilling and production units for the Stewart B Sand, Reservoir A, of the Wilcox Formation, said units to be situated in Section 7 of Township 7 North, Range 8 East, and to have the configurations set forth on the plat submitted with the application and to be designated STEW B RA SUA and STEW B RA SUB.
2. To designate the JMR Oil, Inc. - Brushy Bayou No. 1 Well as the unit well for the STEW B RA SUA and the JMR Oil, Inc. - Brushy Bayou No. 4 Well as the unit well for the STEW B RA SUB.
3. To designate JMR Oil, Inc. as the operator of the unit created herein.
4. To authorize the drilling of an alternate unit well for the STEW B RA SUB at the following location, to wit:
From the Southeast Corner of Section 7, Township 7 North, Range 8 East, go North along the East boundary of Section 7 for 1350 feet; thence West at right angles for 995 feet to the location in Section 7.
5. That with the exception of the proposed alternate unit well location described in 4 above, any future wells drilled within or outside the units sought to be created should be located not less than 330 feet from any unit boundary and not less than 660 feet from any other well completed in, drilling to or for which a permit has been granted to drill to the Stewart B Sand, Reservoir A; provided, however, that no unit boundary tolerance should apply to common unit boundaries of units having identical interests.
6. To consider such other matters as may be pertinent.

The Stewart B Sand, Reservoir A, in the Stacy Field, Concordia Parish, Louisiana, is hereby defined as being that oil bearing sand encountered between the measured depths of 3970' and 4050' (ELM) in the JMR Oil, Inc. - Brushy Bayou No. 4 Well, and being the proposed unit well for STEW B RA SUB.

Plats are available for inspection in the Office of Conservation in **Baton Rouge** and **Monroe**, Louisiana.
